**Bristol Female Charitable Society Fund**

**2010 Request for Proposals**

The Bristol Female Charitable Society Fund supports charitable programs and services in the greater East Bay community of Rhode Island, with a preference for Bristol. The Fund, begun by 88 prominent Bristol women in 1811, was established at The Rhode Island Foundation in 2003.

Preference will be given to programs that promote benevolence and charity and that especially extend relief to the poor and indigent. Four to ten grants from this fund ranging from \$500 to \$5,000 will be made each year. Please limit your submissions to one application per year when applying to the Bristol Female Charitable Society Fund; however, applying to this fund does not restrict an organization from applying for a grant from another fund administered by The Rhode Island Foundation.

Grants in 2009 supported the charitable work of the following organizations: Bristol Good Neighbors; East Bay Coalition for the Homeless; First Baptist Church of Bristol; First Congregational Church of Bristol; St. Michael's Church; and the Women's Resource Center of Newport and Bristol Counties.

Please complete the attached proposal and forward along with additional items requested on page 2 to:

Libby Monahan  
Funds Administrator  
The Rhode Island Foundation  
One Union Station  
Providence, RI 02903

**Applications must be received by August 13, 2010.**
